The Churches in the Bay Area – 2015 Summer School of Truth: Service Form

Dear brothers/sisters:

The churches in the Bay Area will be holding a Summer School of Truth for the young people this summer from July 19-24, 2015. Please note that this will be carried out in a one-week period from the Lord's Day to Friday at Alliance Redwood.

Since we will be staying together at Alliance, we will need a good number of serving ones to stay with and take care of the young people both practically and spiritually; hence, **there is a great need for serving ones**. All serving ones who apply should be currently serving the children, young people, or the college work, parents, or attending the FTTA. Please consider and pray before the Lord for His leading concerning your serving at the SST. The fee for room and board is $310 per serving one and we desire to have a ratio of one serving one per 3 or 4 young people.

Please indicate your availability and the type of service by **completing the application form below and returning the bottom portion of this form to the responsible brother(s) in your locality by June 14, 2015**. It should be noted that an elder's review and recommendation will be required and the SST registration section will review each application before final approval is given based on the qualifications of those applying and the need for serving ones. The SST coordinating brothers reserve the right to assign those who apply to specific services at their discretion. We thank you in advance for your assistance.
